DIFFERENT THIS YEAR

We are no longer able to use the space in the Cross Building where we have held the morning training for Lobby Day in the past, so we are holding the morning training section of Labor Lobby Day at the **Governor Hill Mansion** (136 State Street in Augusta). This is half a mile from the State House.

PARK AND RIDE – HOP ON THE BUS! We strongly encourage everyone to park at the State House, take our shuttle bus to Governor Hill for the training, and take the shuttle bus back to the State House for the rest of Lobby Day. The buses will pick people up at the **corner of Sewell and Capitol Streets in front of the Parking Garage** and be running between there and Governor Hill Mansion from 7:00 - 7:40 am. The buses will then bring you back to the State House after the training. We will send more detailed information in advance of Labor Lobby Day.

We'll see you on Thursday, March 27th at 7:45 am in the Capitol!
