# LABOR SUMMER INSTITUTE

**AUGUST 2nd & 3rd, 2023**  
**University of Maine**  
**Orono**

# What is Labor Summer Institute?

Labor Summer Institute, a project of the Maine AFL-CIO and the Bureau of Labor Education, is a two-day event at the University of Maine that brings union members together to meet each other, learn skills, and build our power.

The Institute is a mix of formal workshops and informal time where we have a chance to get to know one another.

Favorite topics include labor history, movement building, labor art and music, story telling, and more.

We hope that you join us this summer as we work to build the power of the labor movement in Maine and fight to win more changes to improve the lives of union members and working families in Maine.
